**Associated Chamber of Commerce and Industry's Suggestion on Black Money**

2986. SHRI P. UPENDRA: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that the Associated Chambers of Commerce and Industry has suggested some bold and innovative schemes to put the accumulated unaccounted black money to productive use and to stop or reduce the generation of such money in future;

(b) if so, what are the details thereof; and

(c) what steps Government have taken to implement these suggestions?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI RAMESHWAR THAKUR): (a) and (b) Yes, Sir. In a publication 'Report on Black Money' brought out by the Associated Chambers of Commerce and Industry of India (ASSOCHAM), over — regulation, controls and high rates of taxation are asserted to cause widespread generation of black money. To get over the problem, the ASSOCHAM has made a number of suggestions. These, *inter alia,* include import of gold against payment of import-duty, reduction in stamp-duty on transactions in land to a uniform 2-3 per cent throughout the country; amendment of the prgysions of Urban Land Ceiling Act to permit use of land in public interest; removal of controls over newsprint production; delicensing of all activity pertaining to raw materials, production and distribution of textiles; adoption of specific duty rates in respect of plastics and non-ferrous metals and rationalisation of sales tax structure in respect of the former; abolition of octroi; and raising of exemption limits and grading duties in respect of small scale industry.

(c) The suggestions made by bodies like the ASSOCHAM, along with those of individuals and others, are taken into account by the Government while formulating policies.
